Miss Kiwanis of Little Havana Carnaval Miami 2025

A Carnaval Miami Experience

FAREWELL LETTER

On February 11th, 2024 my life was forever changed thanks to the Kiwanis of Little Havana and Miss Carnaval Miami. I am not the same woman that stood on this stage a year ago. I am wiser, more empathetic, more confident in myself and most importantly eternally grateful for this opportunity.

Miss Carnaval Miami is so much more than a crown or sash, it's a way of being. Miss Carnaval is a woman of intelligence, bravery, philanthropy, beauty beyond the physical and an example to future generations. Thanks to the kiwanis of Little Havana I was able to make an impact on the community through events and appearances. They gave me the platform to advocate for my causes, impact the lives of so many children and be an example for little girls all across miami. The Kiwanis aren't just an organization focused on education, they are a FAMILY. And now I am part of that family. I would like to thank Pablo the president of the KLH, for his consent dedication to making a difference and for always believing in the women that participate in MCM year after year.

Next I would like to thank Ivis, my confidant, my director turned friend. You embody everything a MCM woman should be. Thank you for being my biggest cheerleader but also my biggest critic. Your dedication to my success goes way beyond just being your titleholder, I can never thank you enough for the countless nights of girl talk, "figuring out my life" talks and everything in between. You mean the world to me and thank you for everything you've done for me this past year. You are truly a fighter and not just for you but for all the people you love, and I am lucky enough to be one of them.

To my MCM sisters, thank you for your support throughout this year, I wouldn't have been able to do it without your guidance and words of encouragement.

To all my sponsors, thank you for making my year unforgettable. Ariel and Eduardo thank you for being my "fairy godfathers" you always had my back no matter what and for that I thank you. Whether that be waking up early to do my hair and makeup or coming to the rescue when my dress broke during Miss Florida USA. You both have gone above and beyond for me this year and I can say with a smile on my face you both are more than just my "glam team" you are my friends. Alicia, thank you for teaching me what "una dama" truly is. Thank you for taking the time to help prepare me for Miss Florida USA and for teaching me lessons I'll carry with me for the rest of my life. Eres única te amo Fernando, thank you for always designing the most beautiful gowns and for always making me feel and look stunning! Mirta de Pelars, Cami from thehouseofbrows, Natalie from GLAMBOD Pilates, Daniel Caridad Swimwear, Hazel from Hazel photography, Jackie from showglowtans, Juli from Somi aesthetics, Homestead Miami Speed Way, Hard rock hotel and casino Hollywood, City of Miami, and Carnaval Miami. Thank you for believing in the impact of Miss Carnaval and for helping my dreams come true this year, you are all pillars in the community and we wouldnt have been able to do it without you. I would also like to thank my family.

My beautiful sisters, Demi and Desi, my amazing father Calixto and my angel in heaven, my mother, Olaya. You are my "why", why I continue to grow, why I continue to succeed, and why I get to do what I love. Thank you for your endless support while I follow my dreams, I love you all.

To my support system, my friends and extended family thank you for also being there with me through this process, since the night this crown was placed on my head, you have all been there. I love you all. I would also like to thank my beautiful court, Melanie and Hannah. On February 11th 2024, I gained two new sisters and I couldn't be more grateful for the bond we've created through this year. You ladies are so intelligent, confident, and forces to be reckoned with. Thank you for being by my side, may we continue to life each other up and inspire the young ladies of this generation.

To my successor, may this experience change your life for the better, as it did mine. Let this be your year of "yes", say yes to every opportunity that comes your way. I know whoever wears this crown will wear it with pride and humility. Lastly To the Kiwanis of Little Havana, Carnaval Miami, and Miss Carnaval Miami, Thank you for this opportunity. This is not a goodbye, this is just a see you later, you can't get rid of me that easily ;)

For the final time, I am Delaney Milian, Miss Carnaval Miami 2024 👑
